# GENEROSITY HERO

## Profile

**NAME** Tanya Roloff

**OCCUPATION** Producer, writer,  
photographer

**PASSION** Telling the stories of  
people in need

*“Generosity is my responsibility as a believer. It helps me keep my perspective.”*

*“I’m inspired by people who experience deep need — but are themselves very generous.”*

*“You never know how your generosity will change someone’s life.”*

A Generosity Hero is someone who is inspired by the mercy and compassion of Jesus and turns that inspiration into action — generously serving others in need no matter what the cost. For them, the cape and mask are optional.

That’s why, at Masterworks, the heartbeat of our work is inspiring generosity.

We want to help you bring purpose and meaning to the lives of people like Tanya . . . reach the hero inside each one . . . and INSPIRE them to unleash their GENEROSITY.

**Together, we can make an extraordinary difference for your cause.**
